

Patrick Mercier

Senior Client Strategist
BNY Mellon Wealth Management

Patrick Mercier is a relationship manager with BNY Mellon Wealth Management, in this role, he is responsible for developing new relationships with clients with investable assets of \$5 million or more, as well as ultra-high net worth individuals, families, foundations and endowments, family offices or institutions.

Prior to joining BNY Mellon, Patrick Mercier was a serial entrepreneur. He is first generation immigrant from Belgium since the age of 23. He is a family man raising 6 children with 35 years of professional experience in starting up, running, buying and selling various types of businesses in the manufacturing and high technology field. He is fluent in French and is very familiar with European cultures. He became Ernst & Young Entrepreneur of the Year 2000 in the High Technology sector. The company B.E.A Inc., he founded and ran for 15 years, was ranked #280 as the fastest growing company in the USA across all industries according to INC 500 magazine (905% growth over 5 years). Patrick has firsthand experience in raising capital, growing, acquiring, and merging companies.

Patrick currently serves on the committee of “Passion of Wine Event” of Cystic Fibrosis Foundation and is a lifetime alumni of the University of Louvain-La-Neuve, Belgium. He also serves on the committee of the Woodland Foundation focused on children with Cerebral Palsy. Patrick earned a Bachelor’s degree in Business Management and Marketing
